ANIMAL WORLD
Aurobindo Kundu
The mighty LION
Lord of the jungle
And the fleet-footed DEER
Hears him rumble
The one-horned RHINO
Walks with a thud
While a cheeky MONKEY
Eats a fruit bud
But now the ELEPHANT
Trumpets his mood
And the beautiful TIGER
Roars for his food
The brave WILD BOAR
Is a fearless one
And see the sly FOX
Turning to run
The hairy BEAR
Only looks kind
But the tall CAMEL
Helps mankind
The friendly DONKEY
Loves to bray
And here's HIPPO!
He's in water all day
