THE CHILD'S EYE

TO SEE A GLEAM IN THE CHILD'S EYE,
WHY TEACH MODEL CRAFT?

Along with many other skills in life,

Must all the work of art and learning

...
Patterns in Nature
RIGIDITY OF TETRAHEDRON
RUBBER ABAUCUS

159

RUBBER POLYGONS
Richard Bach

You are all learners, doers, teachers.

Teaching is reminding others that they know just as well as you.

Learning is finding out what you already know.

Doing is demonstrating that you know it.
