These are the twelve ‘dull and boring’ words which I had to teach to my Year 7 class. Here are the original ideas I used to bring the words to life, to try to make the task of remembering what they meant—and how to spell them—easier.
Let's try some simple words—straight out of the Dictionary.

<table>
<thead>
<tr>
<th>Baby</th>
<th>Balance</th>
<th>Bamboo</th>
</tr>
</thead>
<tbody>
<tr>
<td>Bad</td>
<td>Bald</td>
<td>Banana</td>
</tr>
<tr>
<td>Badge</td>
<td>Bale</td>
<td>Bang</td>
</tr>
<tr>
<td>Bag</td>
<td>Ball</td>
<td>Bank</td>
</tr>
<tr>
<td>Bake</td>
<td>Balloon</td>
<td>Banner</td>
</tr>
</tbody>

I wonder how much we can do with ONE word...

We'll need to pick a word that reminds us of lots of things. Let's see ...... BEACH! That's a good word.

There are lots of things to see at the seaside. We can use them to take the place of some of the letters in the word "BEACH."

Things like...
Here we go...
Beach
Beach
Beach
Beach
Beach
Beach

As you can see... the limit with sky is what you can do with words!
Here's a BIG word!
Here are some C's...

- CAB
- CABBAGE
- CABIN
- CABLE
- CACTUS
- CAGE
- CAKE
- CAMP
Now... just let words pop into your head... and think about what you can do with each one.

Words galore...

A good way to come up with ideas for your project title is to think of the OBJECTS the title reminds you of. In this case the object is the sheaf of wheat – but notice also the birds and clouds which add atmosphere.

You can even make the whole word into an object.

Another very good way to generate ideas is to think of the ACTION the title reminds you of.
Put your ideas to good use for signs.

Buy your hot chips at the canteen.

And coffee 50¢ a cup.
Don't forget, you can turn the letters into **Body Parts**. This can be very useful because body parts - or even whole bodies - can portray **Action** as well.

**Examples**

- **Run**
- **Communication**

You can even use animals...

- **Birds**
- **Quack**
- **Pets**
More **SIGNS**...

**CAR**
